I don't really need to go to 18 HP, but have heard that this is the same overall size as the 16 HP and will fit in a Coot. I just noticed something curious: The specs on an 18 HP Vanguard I found show it to be 17.25" tall, but the 16 HP shows 19". I double checked with the seller, and they confirmed that the listed dimensions are correct. If that is true, The 18 HP (570cc) might actually fit better.
