Mercedes S Class Workshop Service Repair Manual

The reason I ask is that my 97 E320 had it's head gasket replaced by the PO (at a MB dealership) in Aug. of 99 with 24000 km's on the clock.(thank god for full service records from the PO). Was there already a new gasket out at that time ? I have not noticed any leaks and the engine is nice and dry. Car now has 88000 km's.
