Artifacts are a class of items in Fate. Artifacts are predefined, powerful, and rare items that can be acquired by fishing or exploring the dungeon. By adding Zircon gems to your items, you can increase your chance of finding artifacts. They can be identified by a dark yellow highlight on the item's name. Most artifacts have stat requirements that must be met before the item may be used, and ...

The voice actors convey as much emotion (or lack of, in some cases) as any I've seen across the anime spectrum and there is not a single character who can be singled out for letting the side down. In a cast as vast as Fate/Zero's, that's pretty spectacular. Characters Good characterisation consists of two qualities: diversity and depth.
