Amazon.com: Customer reviews: Ak 47 Disassembly ...

The firearms with disassembly information are listed below. Do note that not every firearm on this website has a field-strip page available for it. This could be due to multiple reasons, but the primary one is if a firearm has no practical field-strip method and/or need to be disassembled for general cleaning purposes (such is the case with most revolvers, for example).

Disassembly/Reassembly - Jake's Gun Reviews

1) Figure 1 shows fully assembled AKM.: 2) First remove the magazine from the receiver by pressing the magazine release located just in front of the trigger guard.Using your free hand, remove the magazine from the receiver.Next pull back the charging handle and assure that the rifle is unloaded.. 3) Next grab the end of the cleaning rod, and pull it away from the barrel.
