Augustine On War And Military

It is under this broader rubric that Augustine discussed issues of punishment and coercion, and especially the issue of capital punishment, the last being of particular relevance for our purposes as he is often seen to conflate judicial killing with the killing done by soldiers in war, since both involve the state-sanctioned taking of human life, the exercise of the state's *ius gladii*.

Augustine on War and Military Service on JSTOR

on issues of war and military service. Chapter five briefly addresses certain issues involved in the interpretation of what Augustine had to say on war and military service. Chapter six looks at what Augustine had to say about militia, a term that in that period encompassed both civilian and military service to the state.

Augustine on War and Military Service - Augsburg Fortress

Did our modern understanding of just war originate with Augustine? In this sweeping reevaluation of the evidence, Philip Wynn uncovers a nuanced story of Augustine's thoughts on war and military service, and gives us a more complete and complex picture of this important topic.

Augustine on war and military service | Request PDF

Wynn gives us first) not an historical version of the "just war" theory but rather a detailed picture of Augustine's writings related to war and military service since it is Augustine to whom the theory is attributed, and second) the actual context of where such "just war" roots really came from and [SPOILER ALERT] it wasn't Augustine but rather different factions of the Roman empire trying to ...

Augustine On War And Military Service

Wynn's strength lies in his placing Augustine within his historical and pastoral context, which reveals his concerns as very different from those of medieval just-war theorists. He hates war, as Wynn emphasizes, but finds it sometimes necessary; although virtually all wars will to a degree, in our fallen world, be unjust, some are less unjust than others. ...

"Augustine on War and Military Service" by Rist, John ...

Augustine identified two aspects of war that required moral justification and guidelines: - The right to go to war (*Jus Ad Bellum*) - The right sorts of conduct in war (*Jus In Bello*) The right to go to war concerns the justification that a nation must give in order for it to have a moral right to wage war on another.

Great Philosophers: Augustine on War

The Function for the State in God's Plan for Man Louis Swift, in *The Early Fathers on War and Military Service*, summarizes Augustine's views on the impact of Original Sin: "As a consequence of Adam's fall the human race became a 'mass of sin', which was fundamentally at odds with God and merited his condemnation.

Augustine on War

Wynn gives us first) not an historical version of the "just war" theory but rather a detailed picture of Augustine's writings related to war and military service since it is Augustine to whom the theory is attributed, and second) the actual context of where such "just war" roots really came from and [SPOILER ALERT] it wasn't Augustine but rather different factions of the Roman empire trying to justify their civil wars to the people.

Augustine on War and Military Service: Phillip Wynn ...

Augustine as a Christian philosopher achieves a full synthesis of the Roman and Christian values associated with war in a way that legitimizes war as an instrument of national policy which, although inferior to the perfect ideals of Christianity, is one which Christians cannot altogether avoid and with which they must in some sense make their peace.

Augustine on War and Military Service

Recently R. S. Hartigan examined Augustine's position on war and killing particularly in relation to the fate of the innocent. Although attention was rightly focused on some of the difficulties inherent in Augustine's views, Hartigan's handling of certain supportive texts is, in the view of this writer, open to question.
