All of the questions in your Course Book are relevant to the new Chemistry Guide (first examination 2016), however the data used in some of the mark schemes come from the IB's Chemistry Data Booklet for the prior syllabus (2009).

Your IB Chemistry Course Book : Secondary: Oxford ...

Welcome: When I retired in 2018, my intention was just to leave this website as it was, for as long as people were still finding it useful. After returning to teaching in Trinidad in 2019, I've decided to mark my second retirement by posting some of the resources I made - mainly for the Advanced Placement (AP) Chemistry course as well as some things for the IB Middle Year Programme.
