Amazon.com: Cricut Easy Press : Arts, Crafts & Sewing

I am so-o-o thankful I found your website! I've had my Cricut Explore Air for a number of months & haven't done much with it. The learning curve seems to be straight up! I've been reading the manual & watching the videos & then trying to re-create projects demonstrated. For the past 24 hours I've been trying to create a card with writing.

Cricut 101: The Best Cricut Tips for Beginners

Cricut EasyPress 2 combines the speed of a heat press and the convenience of a household iron. Eliminate guesswork and get fast, effortless results that really last – even after repeated washes! Just enter the recommended time and temperature settings, apply heat, and when the beep sounds, you're done!
