Ecrits: A Selection was published in 2002, and Fink's complete translation, this volume, came out in 2005. It is hard to produce an exposition of Lacan's thought without falling into the use of his cryptic and bewitching terminology for aspects of the human mind, but deniers are in denial -- there is a "there there".

Reading Lacan's *Écrits* is the first extensive set of commentaries on the complete edition of Lacan's *Écrits* to be published in English. An invaluable document in the history of psychoanalysis, and one of the most challenging intellectual works of the twentieth century, Lacan's *Écrits* still today begs the interpretative engagement of clinicians, scholars, philosophers and cultural theorists.
