### Engine Generator Cad Drawing

Hi everyone, I have created the below 3D model and would like to show the dimensions I have created in the IPT file to be displayed in a drawing view. Is this possible? Would be so much easier than creating auxiliary views. Thank you!

### Can I show the "real" 3d dimensions in a drawing view ...

Hi, I have an ID plate I wanted to use model states to create the iterations of ID plates. Its the same design to be engraved with different details. Problem is you can't use text user parameters that change between model states. So I had to create a custom property that writes to a parameter whi...
