Ethical Breakdowns - Harvard Business Review

What are Business Negotiations? At its most basic, business negotiations are negotiations between corporate entities, their vendors, or their employees. But there is a lot beyond that. In most of our business negotiations, we try to drive a hard bargain, giving away not a penny more than is necessary even as we strive to ensure that our counterpart is satisfied with their own outcome. However ...

Projects are increasingly the means by which business value is delivered. Understanding the mechanics of trust behavior will enhance the delivery of projects and may even change the underlying precepts of today's theoretical models. Understanding how to work in different trust relationships will help us to be more effective in balancing the conflicting issues that normally arise on projects.
