made engine-driven  
Welder with a lot of life  
left in it. It's an older  
Hobart, running a  
Chrysler Industrial 6  
cylinder flathead  
engine. The engine is  
in good running  
condition, and is worth  
some bucks by itself.  
The commutator and  
brushes on the welder  
look good. Lots of  
years left on it.
