Cosmic ordering can be very powerful and what you want might just come true. You need to carefully consider your desires to make sure the outcome will really be what you want. This can be a tricky thing to do because we can't always see into the future and know how situations will play out.

What Is Cosmic Ordering (and How to Use It!)

Cosmic Encounter is a 1977 war-themed boardgame which pits players as competing star-spanning civilizations who seek to colonize each other's star systems. Each extraterrestrial race has its own unique power, while racial selection is determined randomly. With upward of 100 alien races in the expanded set being published by Fantasy Flight Games, each game is a completely different challenge.

Cosmic Encounter: Strategy and How to Play | War Board Games

Good-versus-Evil is the essence of a cosmic war. It will be fought to make the world perfect, or very close to it. The author's simple thesis, in a thoroughly-researched book, is that no force can improve the world to such an extent, so don't get into cosmic wars. Fight on other terms. Aslan delves heavily into Islam, Christianity, and history.
