Career Opportunities — Seasons Hospice

Palliative care is most often offered and started by the cancer care team who is giving your treatment. The doctors and nurses you see during your treatment visits may provide some palliative care themselves, such as helping to manage symptoms and side effects like nausea or pain. And, they will continue to help control those problems while you are getting treatment.

How and Where Is Palliative Care Provided and How Is It Paid For?

Hospice Care in Your Home. Receiving hospice care in your home means that Seasons Hospice will provide our patients with all the services that are included with hospice, wherever individuals call home. This can be a private residence, skilled nursing or assisted living facility, or other residential facilities.

Home Hospice Care — Seasons Hospice

Hospice care is a special kind of care that focuses on the quality of life for people and their caregivers who are experiencing an advanced, life-limiting illness. Hospice care provides
