History. From presocratic times, ancient authors advanced prescientific theories about religion. Herodotus (484 - 425 BCE) saw the gods of Greece as the same as the gods of Egypt. Euhemerus (about 330 - 264 BCE) regarded gods as excellent historical persons whom admirers eventually came to worship.. Scientific theories, inferred and tested by the comparative method, emerged after data from ...

Durkheim's theory of religion exemplifies how functionalists examine sociological phenomena. According to Durkheim, people see religion as contributing to the health and continuation of society in general. Thus, religion functions to bind society's members by prompting them to affirm their common values and beliefs on a regular basis.
