Condition: There are three main conditions that parts are in. The first is the vintage eBay motors parts and accessories, which are usually unopened parts manufactured many years ago. Also available are used eBay auto parts and accessories, which are previously owned parts that are often available for a steep discount.

You can use either of those buttons and both are pressure cooking functions. With the preset buttons like soup/stock, the Instant Pot just takes more control over the cooking process and adjusts the pressure and/or cook time. I almost always use the pressure cook/manual button.
