This self-assessment is a first step in building an effective security program; it is not intended to be an in-depth security assessment. After completing this process and addressing preliminary findings, houses of worship personnel may consider pursuing more detailed security assessments to explore specific issues in greater detail.

Houses of Worship | CISA

Even the greatest artists rarely get it right the first time. That's why, before showing anyone else their work, they'll often take the chance to reflect on it, and see if it needs any changes. This makes self-reflection an important part of the artistic process. When it comes to assessing art in school, there's no substitute for self-assessment. This can take a number of forms, but to ...
