William Stoner is an unremarkable man. He leads an unremarkable life, with an unremarkable wife, has an unremarkable career and dies an unremarkable death. That quite about sums up the structure of the book, but this is hardly a spoiler because while the novel is about Stoner, what I have described above is just the bare bones of the story.

Stoner, by John Williams, is a slim novel, and not a particularly joyous one. But it is so quietly beautiful and moving, so precisely constructed, that you want to read it in one sitting and enjoy being in it, altered somehow, as if you have been allowed to wear an exquisitely tailored garment that you don't want to take off.
