Suzuki F5a Engine Manual

This is a list of automobile engines developed and sold by the Suzuki Motor Corporation.Suzuki is unusual in never having made a pushrod automobile engine, and in having depended on two-strokes for longer than most. Their first four-stroke engine was the SOHC F8A, which appeared in 1977.Suzuki continued to offer a two-stroke engine in an automotive application for a considerably longer time ...

List of Suzuki engines - Wikipedia

The Suzuki FB engine is a series of two- and three-cylinder two-stroke engines that was produced by the Suzuki Motor Corporation from October 1961 until November 1987. They were used in a number of Kei-class automobiles and light trucks. From the original air-cooled 359 cc (21.9 cu in) straight-twin version the FB series developed through a number of different models having different names ...
