The Beaders Guide To Color

Color is discussed in depth, including the basics of the color wheel, the psychological and symbolic associations of all the colors of the spectrum, plus whites, blacks, grays, metallics, and neutrals. Other essentials covered include blending techniques, how a bead's surface finish affects its color, and how color can be used to create and accentuate pattern, rhythm, and movement within a beadwork design.

The Beader's Guide to Jewelry Design: A Beautiful ...

Last year I read (and have continued to study) Margie Deeb's book, The Beader's Guide to Color (see link below). With Ms. Deeb's ability to show the properties and effects of individual colors as well as mixes taken from the color wheel, I discovered that what I thought was my natural eye for color was, in fact, just a tiny glimpse of what was possible.
