First responder — the officer who responds first to the scene — has the responsibility to protect the public and the crime scene and control the changes made to the crime scene to the best of their ability. The first responsibility of a first responder after making sure that they themselves do not introduce change to the scene is public safety.

In aviation, the first officer (FO) is the second pilot (also referred to as the co-pilot) of an aircraft. The first officer is second-in-command of the aircraft to the captain, who is the legal commander. In the event of incapacitation of the captain, the first officer will assume command of the aircraft.

The first pick is ZCash (ZEC). It's on Nairametrics' top pick, on the basis that it will be undergoing its first halving this November. This means that its inflation level would be reduced to about 13%. It also means that the inflation correction due to Zcash's halving may likely give the temporary bump.
