The meaning of spirituality has developed and expanded over time, and various connotations can be found alongside each other. Traditionally, spirituality referred to a religious process of re-formation which "aims to recover the original shape of man", oriented at "the image of God" as exemplified by the founders and sacred texts of the religions of the world.

Oral tradition is naturally subject to changes in the community. Some social changes are rapid and some gradual. The changes are usually brought about by "outsiders," or by "outside influences." There may be massive transformations such as the religious conversions that took place in late {100|101} antiquity and the Middle Ages.

For the Romans, religion was about the strict observance and the proper performance of ritual. With its ideas of religion based so much upon personal faith, it may be difficult for the modern world to understand that to the Romans, religion did not reflect a theistic notion of a personal, intimate relationship with a god, but instead ...
