Way of the Wolf: Straight line selling: Master the art of ...

With the Way of the Wolf, application of the straight line system has revealed the most common mistake salespeople make is that they tend to be far too rigid when it comes to modifying the system's core language patterns to fit seamlessly into their industry.

Way of the Wolf-Straight Line Selling: Master the Art of ...

We call this level of certainty a person's action threshold, and it comprises the fourth core element of the Straight Line System. By way of definition, we refer to people who are very easy to sell to as having a low action threshold; and we refer to people who are very difficult to sell to as having a high action threshold.
